

# CHALANA NILUPUL SENARATHNA

## PROFESSIONAL SUMMARY

I am a dedicated undergraduate pursuing a BSc. (Hons.) in Computer Science & Software Engineering at the University of Bedfordshire, expected to graduate in 2025. Passionate about innovation, I strive to deliver high-quality work and continuously expand my skills. I am committed to learning, exploring diverse aspects of software development, and achieving excellence in every project. Trustworthy and responsible, I take pride in meeting commitments and ensuring my work is nothing short of exceptional.
